

Reefer Trailers Approved Used Charter Tier 1: TRADE

Working Condition

Our Trade standard is intended for traders, exporters, refurbishers and value-focused buyers who are happy to undertake their own preparation work.

Included

- ✓ Trailer in working condition at point of sale
- ✓ Refrigeration unit operational (unless stated otherwise)
- ✓ Major functions checked
- ✓ Available for customer inspection
- ✓ Known material defects disclosed

Not Included

- ✗ Cosmetic refurbishment
- ✗ Bodywork repairs
- ✗ Paint rectification
- ✗ Interior refurbishment
- ✗ Presentation enhancements

Expect

The trailer will show signs of previous commercial use, including dents, scratches, panel damage, wear and tear, and cosmetic imperfections.

Ideal for: Traders, exporters and customers purchasing primarily on price.

Tier 2: APPROVED Professionally Refurbished.

Our Approved standard offers a balance between value and presentation. Trailers undergo targeted refurbishment to improve appearance and condition but are not restored to "as new" standard.

Included

- ✓ Full inspection
- ✓ Operational refrigeration unit
- ✓ Any agreed repairs completed
- ✓ Interior professionally cleaned
- ✓ Damaged components repaired where practical
- ✓ Cosmetic improvements completed
- ✓ Exterior presentation enhanced
- ✓ Suitable for immediate commercial operation

Expect

Minor cosmetic imperfections may still be visible. The trailer will present well and perform as intended but will not be represented as being in near-new condition. Ideal for: Hauliers, fleet operators and businesses seeking quality equipment at a competitive price.

Tier 3: SIGNATURE

**Fully Refurbished To The Highest Standard.
Our premium used trailer offering.**

Every Signature trailer undergoes a comprehensive refurbishment programme designed to deliver the highest possible standard of presentation, condition and customer confidence.

Included

- ✓ Comprehensive inspection
- ✓ Full refurbishment programme
- ✓ Refrigeration unit fully tested
- ✓ Interior restored and deep cleaned
- ✓ Exterior refurbishment completed
- ✓ Paintwork rectification
- ✓ Graphics removed where necessary
- ✓ Damaged components replaced where required
- ✓ Finished to premium fleet presentation standard
- ✓ Detailed pre-delivery quality inspection

Expect

A trailer presented to an exceptional standard that exceeds normal expectations for used equipment and is suitable for the most demanding fleet environments. Ideal for: Blue-chip operators, food manufacturers, pharmaceutical companies and customers seeking the very best used equipment available.

- Delivering exactly the preparation standard advertised.
- Simple Customer Message

TRADE

"Working condition."

APPROVED

"Professionally refurbished and ready for work."

SIGNATURE

"Fully refurbished to the highest quality standard."

This creates a very clear transparency for you as a customer, from Trade → Approved → Signature, with each level offering a distinct value proposition, you have the flexibility to control your initial purchase price and budget, while tailoring the trailer to your exact requirements through the level of customisation you choose.
